Let us take you on a pirate's journey through the Caribbean, Latin America and the Indian and Pacific Oceans.

With over 100 rums we are sure we have a tipple that suits you.

Our cocktails are named after the most feared pirates, so come and share a story of the drinks we are creating for you. Take a seat and let us regale you with our tales of the high sea.

Indulge in a rum voyage of your choice where you and your party will be expertly guided by one of our passionate rum specialists through the rums of your region of choice. The voyage will not only take you on a tasting tour of the rums, but on the history and origin of those rums as well.
